

**1 NON-HOLDER OF A NATIONAL BANK MASTERCARD**

I hereby authorize National Bank to assess the attached National Bank MasterCard application and to transfer the balance of my credit card account(s) from another company or financial institution to my new National Bank MasterCard account. The amount transferred must be between \$500 and \$5,000 and must not exceed the credit limit for cash advances granted to me by the Bank.\*

**2 HOLDER OF A NATIONAL BANK MASTERCARD**

I hereby authorize National Bank to transfer the balance of my credit card account(s) from another company or financial institution to my new National Bank MasterCard account. I understand that my balance(s) will only be transferred if my National Bank MasterCard account is in good standing. The amount transferred must be between \$500 and \$5,000 and must not exceed the credit limit for cash advances. If the available credit on my card is insufficient to cover the balance transfer, I hereby request a credit limit increase. \*

- \* I certify that the credit card account whose balance I would like to transfer is in good standing and I authorize National Bank to verify the status and balance of that account.
- Balance transfers are treated as cash advances and are subject to the terms and conditions of your credit card.
- Balance transfers do not qualify for any rewards program bonus points.
- National Bank reserves the right to refuse any balance transfer and any limit increase that may be necessary to process a balance transfer.
