National Bank of Canada is an integrated group that provides comprehensive financial services to consumers, small and medium-sized enterprises and large corporations in its core market, while offering specialized services elsewhere in the world.

Vision

National Bank is the leading bank in Quebec and the partner of choice for small and medium-sized enterprises. It is also the sixth largest bank in Canada with branches in almost every province. Clients in the United States, Europe and other parts of the world are served through a network of representative offices, subsidiaries and partnerships. Its head office is located in Montreal and its securities are listed on the Toronto Stock Exchange.

National Bank's Operations (four major business segments)

Personal and Commercial Banking

The Personal and Commercial segment meets the financial needs of some 2.3 million consumers and approximately 136,000 businesses across Canada. These clients entrust the Bank to manage, invest, and safeguard their assets and finance their projects. Personal Banking offers everyday transaction solutions, mortgage loans and home equity lines of credit, consumer loans, payment solutions, savings options and tailored investment solutions, as well as a diverse range of insurance products through specialized subsidiaries. Commercial Banking offers a full line of services, including credit, deposit and investment solutions, international trade, foreign exchange transactions, payroll, cash management, insurance, electronic transactions and complementary services. To obtain advice and service, clients turn to the Bank's experienced advisors who take the time to understand their specific needs and help them reach their financial goals. And thanks to the Bank's convenient self-banking channels, 443 branches and 932 banking machines across Canada, clients can do their daily banking whenever and wherever they wish.

Wealth Management

The Wealth Management segment serves the investment and savings needs of a broad range of clients by putting forth the most comprehensive wealth management service offering in Canada including, among others, estate planning, financial planning, portfolio management, tax planning, insurance and annuity, banking solutions, and complementary services. All its investment solutions, products and specialized services are provided through 865 investment advisors working out of 103 service outlets across Canada.

Financial Markets

The Financial Markets segment offers clients a full suite of financial solutions from debt and equity underwriting to bank credit and risk management products, as well as delivering comprehensive advisory services in the areas of mergers and acquisitions and financing. Access to the Canadian capital markets is provided through its fixed income, equities, and derivatives business lines. The segment's clients consist of large and mid-sized corporations, the public sector, and institutions across Canada.

The Financial Markets segment is an investment banking leader in Quebec with a strong presence across Canada. In fixed income and equities, it is a market leader, providing origination, underwriting, distribution, and liquidity through secondary market activities as well as macroeconomic and issuer-focused research.

Through offices in New York, London (UK) and Hong Kong, this segment markets Canadian debt and equity securities to institutional investors in the United States and internationally. Through its Dublin subsidiary, this segment engages in trading activities with large European-based institutions in local equity and equity-linked securities.

U.S. Specialty Finance and International

The segment consolidates the subsidiary of Credigy Ltd., a specialty finance corporation with an expertise in investment and management of performing and non-performing debt portfolios, operating exclusively outside Canada. The segment also comprises the subsidiary Advanced Bank of Asia Limited (ABA Bank), a major financial institution in Cambodia offering financial products and services to individuals and businesses; and targeted investments in certain emerging markets, such as NSIA Participations, a financial group headquartered in Côte d'Ivoire, and AfrAsia Bank Limited, based in Mauritius.
