No assets that are not locked-in may be transferred to or otherwise held under the Account.
3. **Value of the Account:** The fair market value of the assets held under the Account, as determined by the Trustee in good faith, will be used to establish the balance of the assets in the Account at any particular time, including on the death of the Annuitant or on a transfer of assets from the Account. Any such determination by the Trustee will be conclusive for all purposes hereof.
4. **Investments:** The assets held under the Account will be invested by the Trustee in the manner provided by the Declaration. All investments must comply with the rules set out in the Tax Act regarding investments in a registered retirement savings plan.

No such payment will be made unless and until the Trustee receives releases and other documents as it may reasonably require. Such payment is subject to subsection 60(l) of the Tax Act.
7. **Restrictions:** Except as provided in subsection 25(4) of the Act, the assets in the Account must not be assigned, charged, anticipated or given as security and any transaction purporting to assign, charge, anticipate or give the assets as security is void.

The Annuitant agrees that, unless otherwise provided by law, the Trustee may never be obliged to refund in advance the investments held under the Fund for purposes of transfer, payment or withdrawal and may, at its entire discretion, either (i) delay the requested transfer, payment or withdrawal; or (ii) where investments consist of identifiable and transferable securities, effect the transfer, payment or withdrawal by the remittance of such securities.

The amended Agreement must remain compliant with the Act and the Regulation as well as with the Tax Act.

11. Representations and Warranties of the Annuitant: The Annuitant represents and warrants to the Trustee the following:

- a) The assets transferred herein pursuant to the Act and the Regulation are locked-in assets resulting directly or indirectly from the commuted value of the Annuitant's Pension benefit credit;
- b) The provisions of the pension plan do not prohibit the Annuitant from entering into this Agreement and, in the event that such prohibition does exist, the Trustee is not liable for the consequences to the Annuitant of executing this Agreement nor for anything done in accordance with the provisions hereof; and
- c) The commuted value of the Pension benefit credit that was transferred herein was not determined in a way that differentiated on the basis of sex, unless otherwise indicated in writing to the Trustee.
