

Discover your digital platform

Simple and secure digital services to consult your portfolio, track markets and access your documents—anytime, anywhere—online and through the mobile app.

Your portfolio, at a glance	Your contribution to protecting the environment	All your documents in one place
— View your account summary — See your assets in detail — Check your transaction history	— Adopt an eco-friendly approach by reducing the use of paper — Easily find your documents online, conveniently organized within an intuitive logic — Unclutter your desk and eliminate document shredding	— View your portfolio statements — Download your tax slips — Access the Message Centre

Essential information, available when you need it

Wherever you are, you can view the composition of your portfolio and monitor its evolution with full transparency.

A digital experience designed for you

Digital services offer a simple, intuitive and secure experience that brings together essential investment information, saving you time and helping you stay focused on what matters most.

Your portfolio, at a glance

Easily view the value of your investments, their allocation and changes over time. Information is presented clearly to help you understand your financial situation quickly.

Simple, clear and easy to use

Access your financial information easily, both on your computer and through the mobile app. Everything is designed to offer a seamless, intuitive experience in just a few clicks.

Support when you need it

Through the platform, you have digital access to your information, and your wealth management advisor and their team remain available to support you.
